 2009 Charity Classic at Galloway National Golf Club***

Dear Friend:

On behalf of everyone at The Center for Autism and The Hollister Foundation, I would like to thank you for joining us at the 2009 Charity Classic at Galloway National Golf Club. Your support of our event during these difficult economic times is a testament to the collective commitment of our sponsors and participants to provide treatment and specialized services to those affected by Autism. You will also be pleased to know that, through The Hollister Foundation, a portion of your funds will be directed to children's education and health services programs that will have a direct positive impact on many lives.

Based on the beautiful weather, the extraordinary golf facility and the fine service provided by Galloway and foundation staff, the event was a resounding success. Based on the proceeds generated through your contributions, the event was an even greater success. Your efforts helped to raise nearly \$40,000 in net proceeds for our very worthy causes. This is an especially meaningful accomplishment in an economic climate where many charitable organizations were unable to generate enough participation to carry on their events. Your kindness and generosity is truly appreciated and we hope that you enjoyed the day of golf and relaxation.

Although golf season has come to an end, our foundations' charitable work continues year round, so we invite you to stay involved in the important events and programs we present throughout the year. Please do not hesitate to contact us or visit our websites for all the latest news and information.

We wish you a happy and healthy New Year and hope to see you on the course next summer!

Sincerely,

Ian J. Mount
President
The Hollister Foundation
