Dear Friends and Co-workers,

Please accept our deepest gratitude for your generosity in thinking of us with your generous Christmas donation of gift cards. We made sure that the cards were delivered to families before Christmas and you can be sure of smiles of joy on the faces of the children and parents.

Your generosity has enabled us to bring joy into their lives. Our families are so grateful for the many expressions of generosity that we experienced during this season of giving.

St. John of God cared about the poor and kept asking those who have to help those who are in need. You enable us to continue the good work of caring for God's less fortunate. You and your loved ones will be blessed.

May God keep you safe and fill your life with good health, grace, joy, love and peace. Thank you.

Gratefully,

Sister Kathy
